

GUIDED  
SCHOOL  
TOUR

**HISTORIC**   
**ST. MARY'S CITY**

**ARRIVAL**

# MY FIELD TRIP

- I am going to Historic St. Mary's City!
- It is an outdoor living history museum.
- Living history means they are teaching about the past by acting it out!
- Historic St. Mary's City has people wearing costumes, buildings made to look like they did a long time ago, and lots and lots of fun history!

# THE BUS TRIP

- I might arrive on a bus.
- It may be a yellow school bus, or a bigger one that's a different color.

# MY TOUR GUIDE

- My class might have a tour guide. They will tell me lots of good information.
- Our tour guide could be a man or a woman.
- The guide will be with my class while we are at the museum.

# TOUR GUIDE

- Our tour guide may tell my class rules to help keep us safe:
  - We will be walking. We will not run.
  - We will raise our hands if we are asked a question and know the answer.
  - We will listen respectfully.
  - We will stay with our class.

# BLUE BARNNS

- When I first get to Historic St. Mary's City, I might see a few big blue barns and a parking lot.
- One of these barns is the Visitor Center.

# PLACES TO REST

There are picnic tables outside of the Visitor's Center where I may sit and rest or eat.

# PLACES TO REST

- There is a water fountain near one of the blue barns.
- I can get a drink of water here if I need to.

# PLACES TO REST

Inside the Visitor Center is quiet, and I may rest here for a few minutes.

# FOR HELP

- If I need help or have a question, I can tell my guardian, my teacher, or my tour guide that I need help.
- I can also go into the Visitor Center and ask for help from the people inside.
